NOVARANG[®] NOVACOAT[™]

Who We Are ?

Since **25 years** our inception, we have been continuously engaged in developing and manufacturing quality range of products. These are developed by our experts, who have complete knowledge about paints and related products. Assisted by their **skills and experience**, we have been able to **deliver best quality products our products to our clients**.

We are a rapidly **growing organization**, with zeal to excel in every endeavour of providing quality range of products to our clients. Within a short span of time, we have been successful in garnering a huge client base owing to our adherence to policies of total client satisfaction. With our consistent efforts, we have been able to deliver the best range of **adhesives and coatings** at competent prices to our clients.

We are equipped with our **state of the art infra structural facilities**, which assist us in developing and manufacturing our **wide product range**. Our manufacturing unit is segmented into different segments for manufacturing, **quality checking, packing, and warehousing**. Our manufacturing unit has all the necessary machinery installed for **fast and bulk production**. We also undertake regular up gradations of these machines to ensure smooth and snag-free manufacture of products.
